## ON THE FRONT COVER CLOSING CEREMONY

All the participants of the NATO Tiger Meet 2011 met on Thursday, May 19<sup>th</sup> 2011 in the afternoon on the taxiway of the airbase for a ceremony symbolizing the end of the exercise. The flags from the seventeen participating nations to the event were all lowered at the same time, while the Marseillaise was being played.

Much emotion was felt during this ceremony closing the last Tiger Meet on Cambrai airbase. What a long way since the first exercise in 1964 in France!
