Certificate of Recognition

The recognition process detailed in EMAD R, Edition 2.0 has been followed and confidence has been gained that **Direction Générale de l'Armement & Direction de la Sécurité Aéronautique d'Etat** regulatory approach can be recognised by the **Belgian Military Airworthiness Authority**.

Notwithstanding the Accepted Recognition Delta's listed in Table 1 the **Direction Générale de l'Armement & Direction de la Sécurité Aéronautique d'Etat** conduct of regulatory assurance, as detailed in their MAR Q Responses to Subsections A through D, is considered suitable for their artefacts, listed in Table 2 to be considered or used by the recognising RP.

Accepted Recognition Delta	Justification
No delta's identified	The DGA and DSAE airworthiness regulatory framework is equivalent to the BMAA regulatory framework and follows EMAR.

The Recognition Certificate is valid until 15/05/2021

The Recognition Certificate will be reviewed for the first time on 15/05/2021 unless any significant changes (Step 18 of EMAD-R refers) to the authorities occur before that date.

All recognition partners undertake to inform the other Recognition Partners immediately of any significant changes to their Authority (Step 18 of EMAD-R refers).

Recognition partners undertake to provide the following information relevant to the Artefacts listed in Table 2.

- Recognition Agreement between **Direction Générale de l'Armement & Direction de la Sécurité Aéronautique d'Etat** and the **Belgian Military Airworthiness Authority**
- Audit Report (incl. MARQ's Sec A , B, C and D with BMAA Comments and answers)
- Regulatory Documents with regards to the organisation of the FRA-MAA.

The essential principle that Recognition is a national responsibility is maintained, hence sovereign regulatory responsibility is not abdicated by issuance of the Recognition Certificate.
